Sonja,

don't worry about it we actually just got the motion to suppress decision back and it was allowed so I will be canceling the slips for that case. I don't know if our cancel slips reach you guys but I will not be needing you for that case.

Just wanted to give you a head up that, besides this case scheduled for July 13th, I also am on call for a district case in Springfield. This has never become a problem in the past, but I figured I would let you know anyways.
